"The goal of yesterday will be
the starting point of tomorrow"

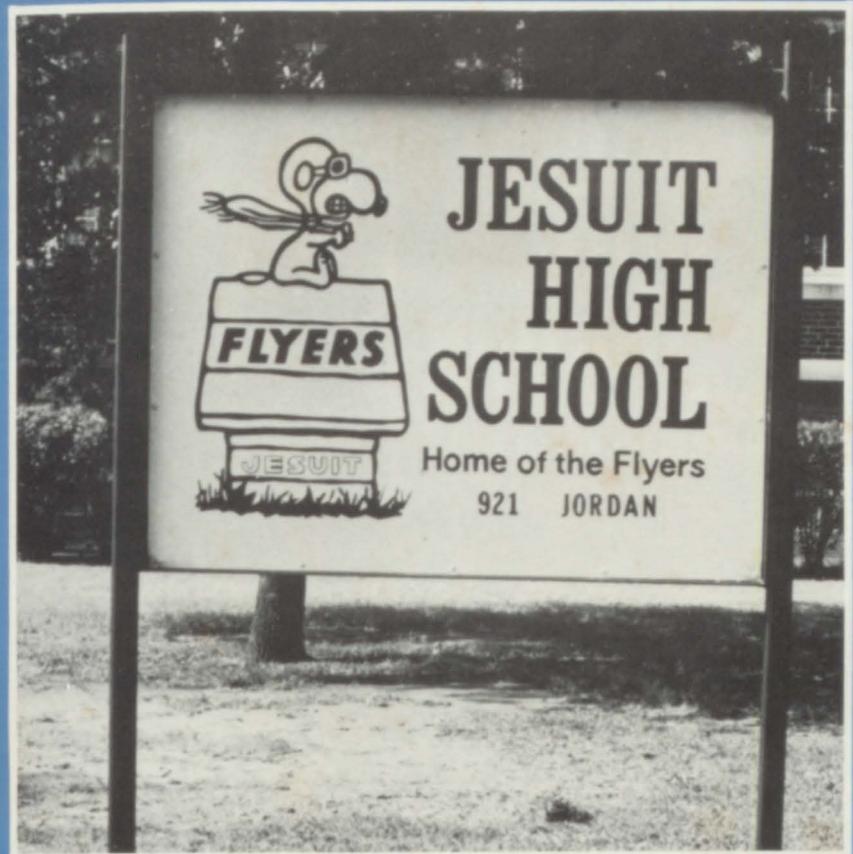

Carlyle

JESUIT HIGH SCHOOL
Shreveport, Louisiana

Volume XXII

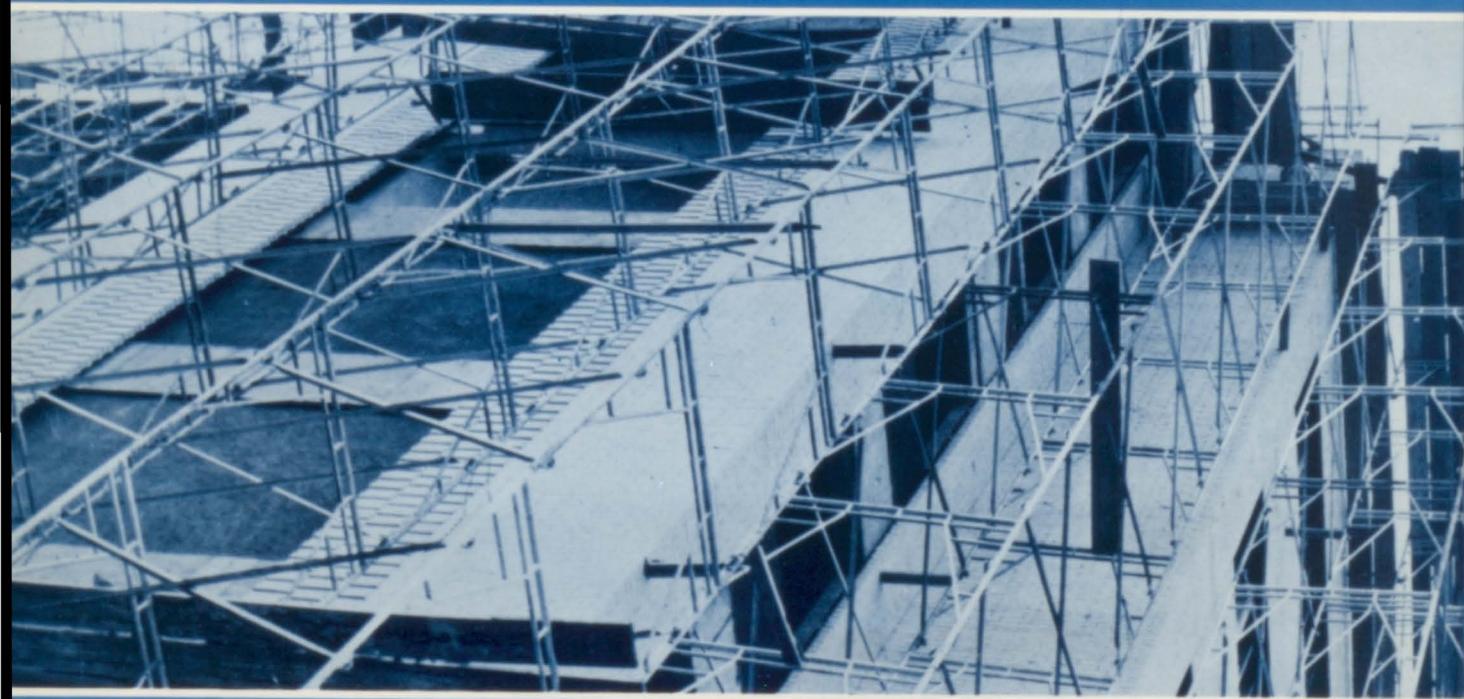

Lib. Coll.
LD7501

F5
1995

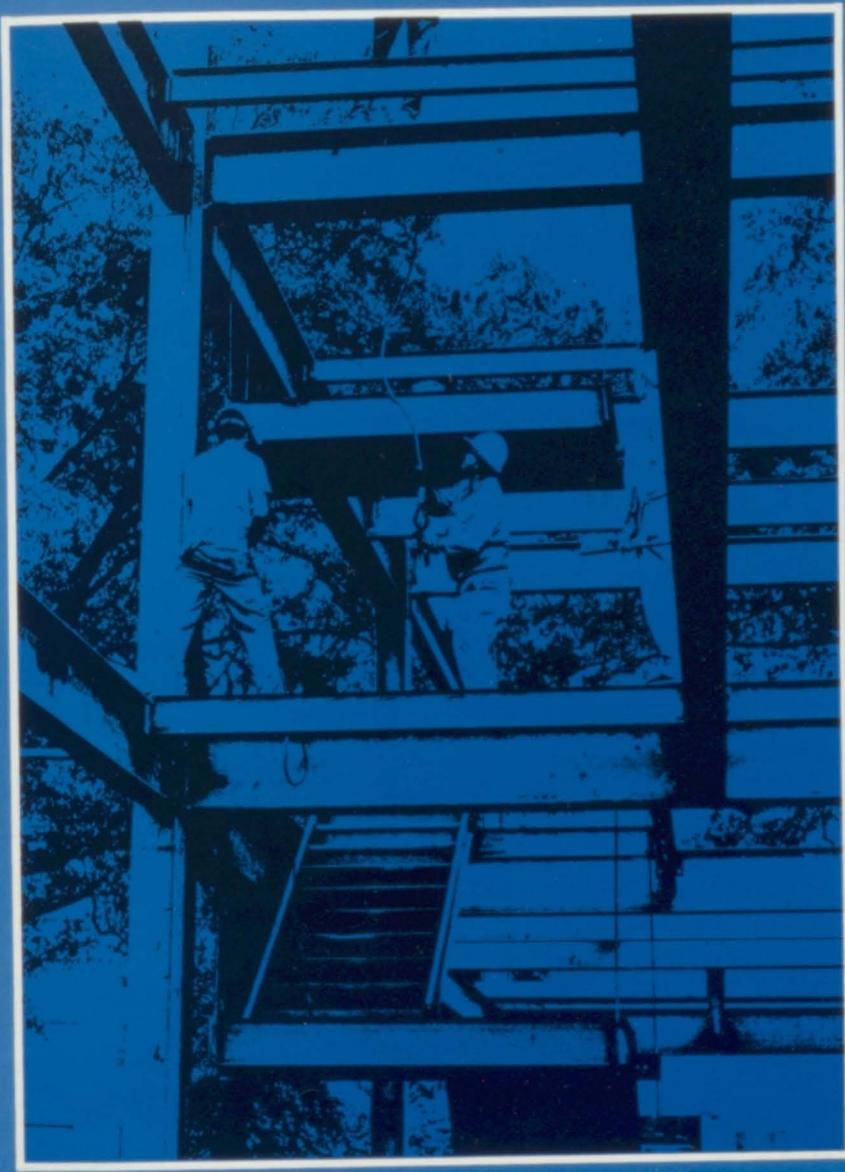

The high school
days so long
dreamed about in
our grade school
years have now
become true.

The progress we
and our
community have
made is now a
history of
pictures.

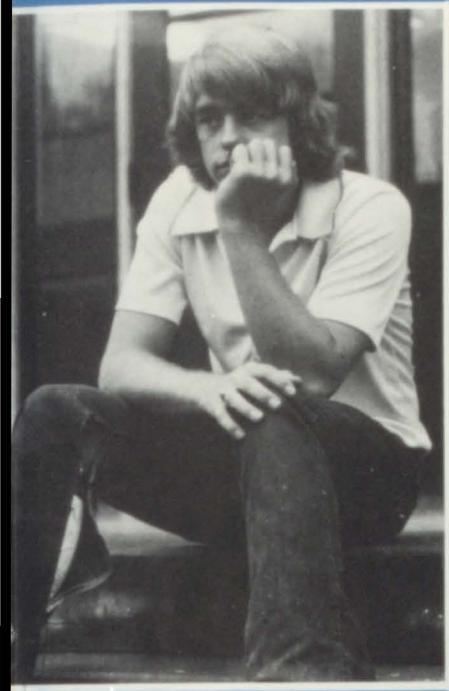

The oak trees, the buildings, and the Jesuit sign along Jordan Street will always remind us of our fond reveries.

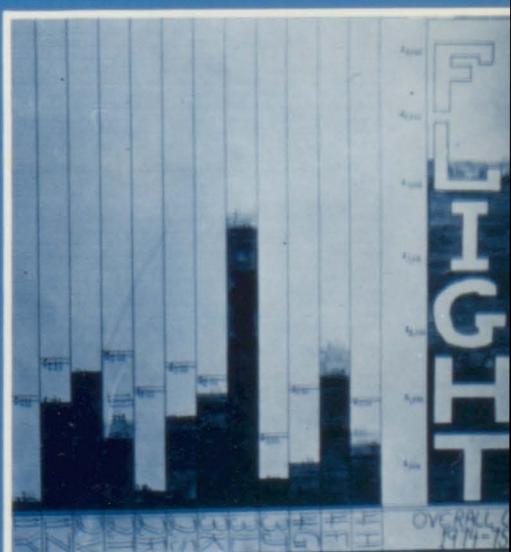

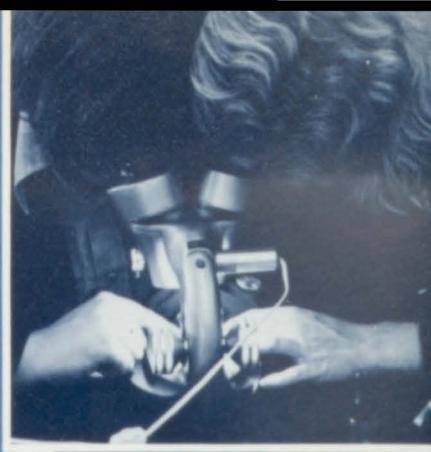

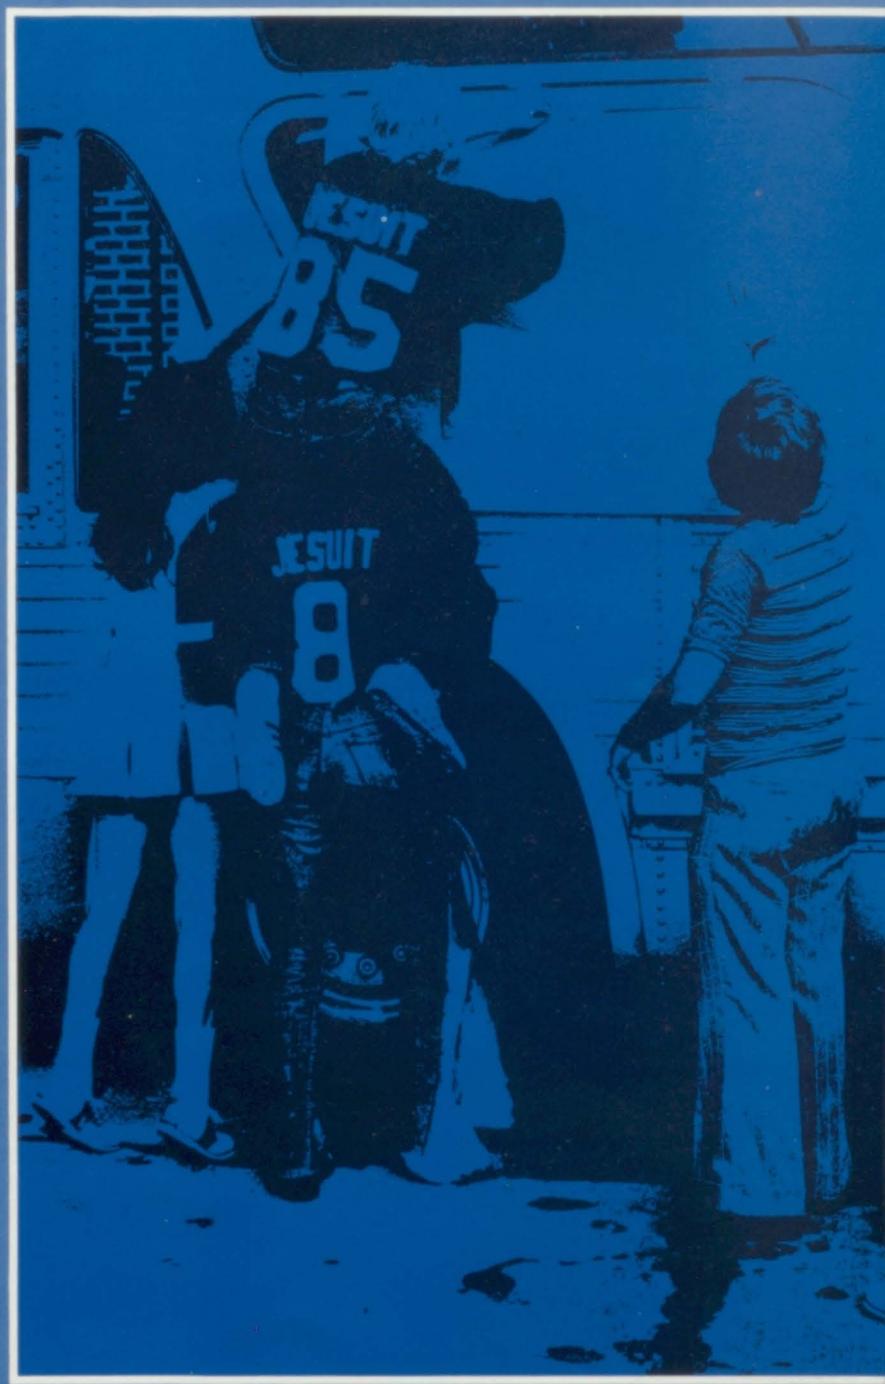

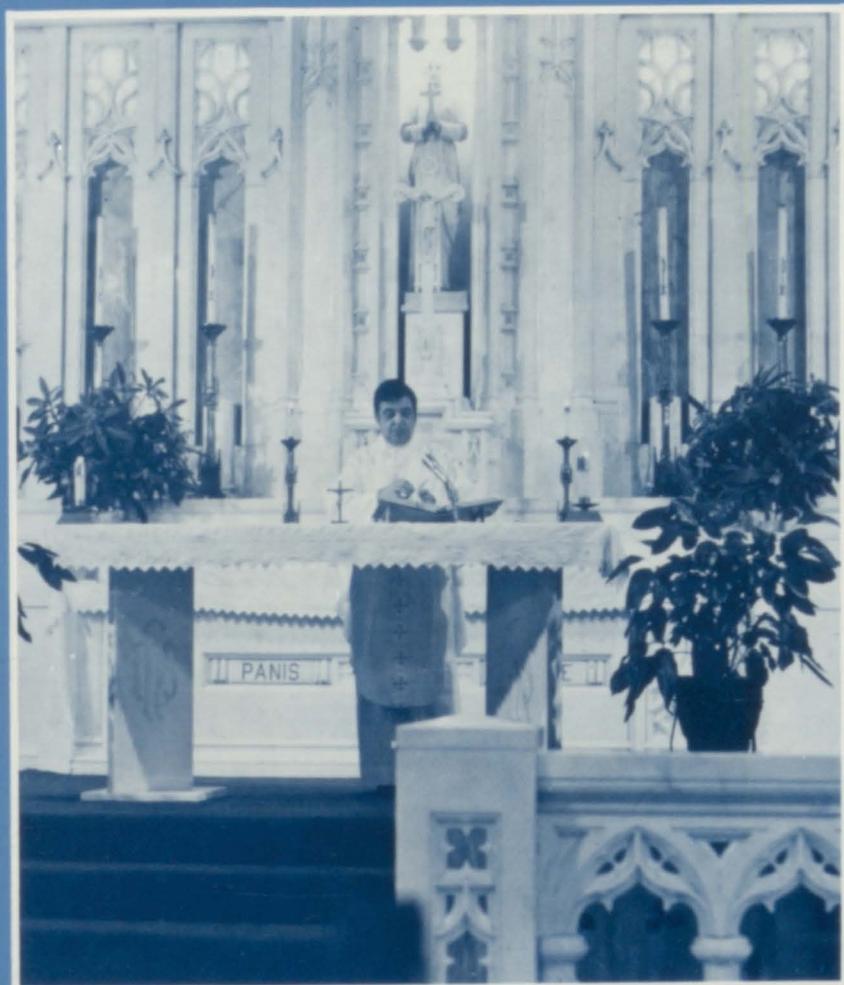

Of all our
dreams, some
have come true,
though most still
wait their day.
Goals once set
are now a reality.

A school of people has developed the individual, who has grown together with others. Together, an entire school has grown better.

"The very spring and root of honesty and virtue lie in the felicity of lighting on good education."

Plutarch

ADMINISTRATION

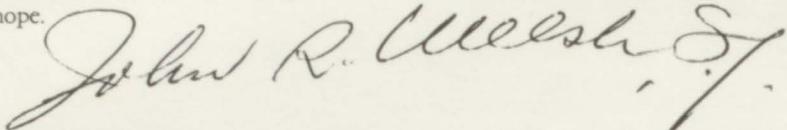

A Few Words On Progress

President's Message for Yearbook 1974-75

The greatest thing about the future is that we can make it be what we want it to be. And on this fact we found our hope, if we would live in a hope that is continually renewed. Though it is true, a glance at past glories can put heart into us, yet it is only a surface encouragement; it is cosmetic. So it is for those who harken with a backward gaze at progress achieved; for progress achieved is progress done, progress finished.

Consider this: it is the future promise of a harvest yet unseen that evokes our labor on fields lying fallow from winter's chill. So in a present devoid of actualities the thing that puts the spur to our creative energies is the hope of tomorrow's bristling with possibilities.

Progress yet to be achieved, progress awaiting our hands and energies in the months and years ahead, a yet-to-be progress: this I say is the source of an ever youthful hope.

Principal's Message

"PROGRESS" as the theme of the 1975 Flight is an intriguing thought. The word necessarily implies change — you can have progress only if you start from a given point and move toward another point, a desirable goal. Such a movement towards a goal implies a movement away from a given point, a less desirable goal, the point you left.

Thus progress, which I would like to think means growth, demands 1) that you establish goals, 2) that you recognize those goals that eliminate each other and 3) that you use your God-given intellect and education to choose only the best goals. That is true progress — real growth — and my hope for each of you who shared this happy and unique year at Jesuit High School is that throughout life you continue to make true progress.

Administrators: Jesuit's Devoted

For most of us the school year lasts for nine months. For our administrators, however, the year begins at the end of May. Enrollment for the coming year must be determined and the courses required or requested by each student is recorded. As the summer progresses the school officials compute finances, hire new teachers and schedule classes. The rewards and/or headaches of their job have not begun. With the arrival of fall and the first semester, the myriad details and problems of students occupy their time. The day-to-day responsibilities of running the school succeed in occupying their lunch periods and morning breaks.

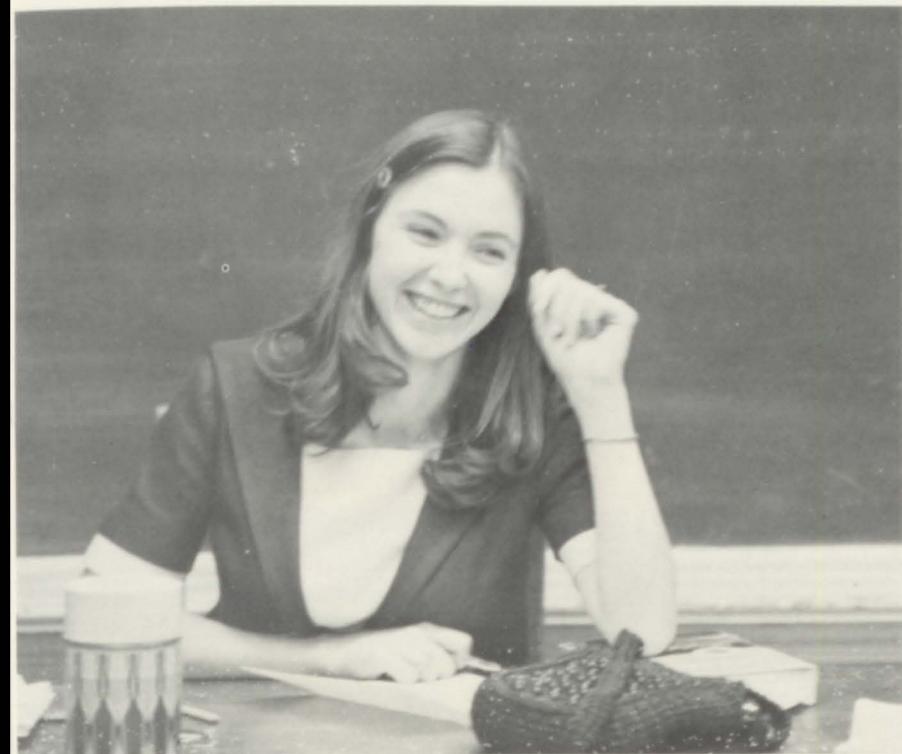

Throughout the year, however, these people always seem to have a smile on their lips. No secretary, manager, janitor or principal ever seems too busy to help. Their lives are devoted to helping students; it's their only goal. We should not forget one man: Mr. Pete. He left us this year after many years of service to Jesuit and its students. Eloquence does not paint the picture well enough. Jesuit is lucky to have these people.

Math And Science Explore Relationships

Always a forte at Jesuit, our math and science classes reflect the efforts of some hard-working teachers. Besides their in-class efforts many of these people spend time out of class tutoring interested students; and, in addition, members of this department are in charge of the biology and chemistry related clubs. Relationships in the scientific and mathematical fields of calculus, trigonometry, algebra, physical science, chemistry, biology and physics will show themselves to the students who endeavor to understand them.

A Life Experience: Theology

Whether we define God as the simple goodness in life, a mystical force or an all-powerful spirit, we all owe ourselves answers to the questions of God. Through our theology studies we expose ourselves to a theological background basic to firm decisions.

This goal is reached not merely through a typical classroom curriculum of studying the theoretical aspects of God. Freshman year exposes students to the problems of today's society. Guidance class teaches them to know themselves and the peer pressures affecting them. Sophomore year theology compares more readily with a psychology course than a theology course. Religion and beliefs are applied to life situations in this year. Juniors study the New Testament in the context of today's world and think about their beliefs in a complimentary course, **MAKING MORAL DECISIONS**. In the senior year Jesuit shows its progressiveness with service projects. Students may tutor children or work in a day-care center. Jesuit stands as one of the few high schools attempting this course. In addition senior theology reviews the church and the major religions of the world. We experience life through our theology.

Language And Speech: Expressing With Words

To learn to express ourselves in the spoken and written word we are fortunate to have the efforts of our Language and Speech Departments. Literature of our America and other lands ancient and modern, stimulate lofty thoughts and ideals. Our foreign languages, French, Spanish and Latin, remind us of our heritage from other cultures. Speech teaches us to communicate our thoughts briefly and concisely. We explore the process of debate to decide issues. Debate shows us the need for discovering the facts, but stresses the importance of explaining and interpreting the facts correctly. The dedication of our teachers has brought us the power of the spoken and written word.

Social Studies: Man In The Historic World

How can we foretell the future? A crystal ball is not the answer. Rather one must have a full understanding of past and present. To this end, Jesuit has centered its social studies program in Civics, American History, World History, Sociology/Economics, and Psychology. The Civics course is designed to help us understand the structure of today's society and how it developed. American History unfolds the incredible phenomena of democracy and the men who have guided this nation. World History gives us the full story of man and his eternal search for happiness. Sociology/Economics and Psychology, both electives, delve more deeply into the reciprocal effects of man and his environment on each other, even exploring the corridors of the mind. Thus, knowing the road we travel on, we can make it our own.

Flyers Nab 1-AAA District Title

For the first time in six years, the Jesuit Blue Flyers were unchallenged in claiming the 1-AAA District title. The Flyers finished the season with a 5-0 district record and a 7-4 overall record.

In the season opener, Jesuit took on the Vikings of Airline. Airline scored on the opening play, a ninety-two yard kickoff return. The Flyers couldn't get it together, losing 3-0. The next team to face Jesuit was Fair Park. The Indians were lucky on the turnovers and eeked out a 6-2 victory.

In the district opener at Haughton, Jesuit bombed the Bucs 27-0. Showing a powerful offense, the Flyers gained 307 total yards with Chet Chandler gaining 180 of them. The defense did a great job keeping the Buc's offense (#1 in 1-AAA team offense) away from the goal line.

After defeating Haughton, Jesuit took on Bossier at Memorial Stadium. The Flyers ran into some bad luck, losing 21-8. That left the Flyers 1-3 and facing a tough district schedule ahead.

Opposite Page — Top Left: The defensive team huddles to decide how to stop their opponents' drive.

Top Right: Steve Pernici carries the ball for a long gain and more importantly, a Flyer first down.

Bottom Left: "Come on, take my picture."

The next week Jesuit played Northwood in the annual homecoming battle. It was Jesuit all the way, with the final score 35-11. Steve Pernici threw two touchdown passes and Danny Slack scored two touchdowns and made a great interception.

Next, the Jordan Street Gang played John Martyn of New Orleans. It was a first time meeting and also the first victory over a Quad-A team in three years. The Flyers won by a 45-0 score, with many players having an outstanding game. Perhaps the biggest play of the game came with one second left when Frank Cicero kicked a 45 yard field goal — a probable record. The next week came North Caddo. The Flyers shut out the Rebels 14-0. Chet Chandler scored both touchdowns, and with Danny Slack, rushed for a combined total of 262 yards.

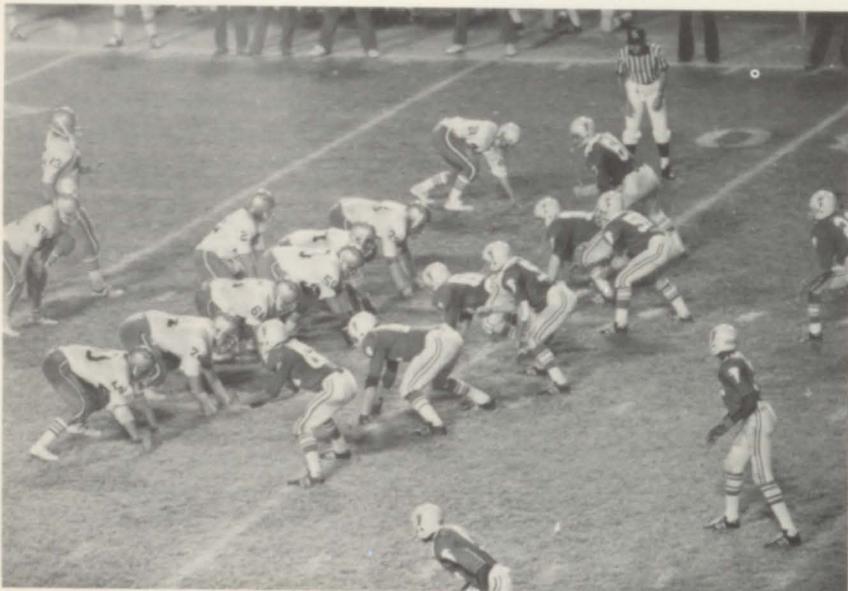

The following week, Jesuit faced Minden, also undefeated. Pernici threw for one touchdown and ran for another. Chandler scored two touchdowns on runs of two and eight yards. The defense helped cushion the lead throughout the game. The final score against Minden was 27-0. In the last game of the regular season, Jesuit took on Springhill in a game that would decide the district champion. The Flyers scored on a six yard pass from Steve Pernici to Danny Slack. The Big Blue hung on for a 7-6 victory and the district championship.

For the second time in as many years, Jesuit was in the playoffs. First, the Flyers played Delta of Mer Rouge at the State Fairgrounds. The Flyers won by a 24-0 margin. The offense went over 300 yards total offense while the defense played steady football. Offensive standouts were Steve Pernici, Danny Slack, Chet Chandler, Clement Fox and Frank Cicero. Bob Haynie led the defense with two key interceptions.

In the state quarterfinals, the Flyers traveled to Alexandria to take on number 1 ranked Bolton. Jesuit fought all the way, but lost in the end 21-6. The Flyers' only score came on a screen pass from Steve Pernici to Chet Chandler. The game was a tough battle with the Mighty Flyers fighting to the bitter end.

Congratulations to the 1974 Jesuit Blue Flyers on a most successful season!

Freshman Football

The freshman football team, Jesuit's Baby Blue Flyers, had to suffer this year. Plagued by ineligibility of all but fourteen gridmen, the freshmen were held to a winless season. However, led by Coach David Defatta, many individuals showed fine potential for varsity play. Next year, they and their ineligible teammates will be sure to form a strong sophomore support for Jesuit's struggle to the State Championship.

Football Banquet

The Annual Football Banquet was held in the Jesuit gym to honor the 1974 District Champions. Outstanding Offensive Player Award went to Chet Chandler, while Barry Erwin and Danny Slack shared defensive honors. Chet, Danny, and Steve Pernici were named tri-captains for the season, and Dick Haynie merited the scholastic award. All in all, the dinner was a perfect ending to a great season on the gridiron.

1975 Cagers Rejuvenate Flyer Spirit

In previous seasons, Jesuit basketball has been conspicuous for an audience composed of a faithful few fans and a lot of staring bleachers. This year Carlisle's Cagers exploded on the scene backed by a packed gym of roaring fans.

Pre-season play was spotty, as Jesuit showed strong in its season opener against Southwood, defeating this Quad-A powerhouse. The next few weeks showed the Flyers exchanging victories and losses with non-district opponents, and winding up with a 6-7 record which said little of their excellent ball-handling.

District play started with Minden and Haughton, I-AAA's strongest, and two discouraging losses. But a photo finish victory over archrival Springhill revived a spirit in Flyer fans that could not be quelled.

Although unable to pull out district honors, this year's team was probably Jesuit's finest. Coach Carlisle, in his second year as head coach, led a team of seniors and juniors that often dazzled the crowds. Senior Leslie Jones, who broke the 1,000 point mark for his career, led the team in shots and rebounds. Bert Ferris and Tim Dillard, also seniors, worked as a brilliant team, shooting and passing from outside. Chris Ward, a newcomer to varsity hardcourt, reached double figures in every game. Clement Fox and Gil Goodrich alternated through the season, each adding his own special brand of excitement. A strong bench rounded out the 1975 team.

With more experience and continued dedication, Snoopy's shooters should soon make Number 1.

Soccer

1974

The Jesuit Soccer Club fared much better this year than last with a high school record of 4-1-1. Despite having only fourteen regulars, the team showed it was one of the strongest in the area.

Since a lot of the games were with colleges, the team didn't expect to go undefeated even though it almost beat Centenary in a close game. Though the club has only concluded its sixth year, it continues to show talent, improvement, and promise. Along with that, there were only three seniors who graduated leaving the squad in good shape for next year.

Drama Season Opens With A Hit

For the first play of the season, the Jesuit Drama Club combined with the St. Vincent's Drama Club to stage D. D. Brooke's sensitive play, *TELL ME THAT YOU LOVE ME JUNIE MOON*.

The play traces the antics of three unfortunates: Arthur, Junie, and Warren. They meet in a hospital while recuperating from various accidents. The trouble begins when they leave the hospital to set up housekeeping for themselves.

Arthur seeks employment from Mario, a fish market owner. When he finds that he cannot get a job, Arthur runs away. After Arthur is found, Mario sends them all to a luxurious beachside hotel. Here, Arthur finally dies of his illness and Junie and Warren leave with Mario.

As a result of the combined talents of director, actors, and crews, the play was enjoyed by all of the over 600 people who attended its two-night run.

Top: Warren (Ed Wilson) thinks back on a childhood of letdowns.

Bottom Left: Gregory (Celeste Sutherland) describes how to be "one of the strong." Bottom Right: Junie (Ellen Jung) and Arthur (David Hewitt) sit under the banyan tree which fronts their new home and enjoy Warren's brownies.

Mothers' Club Launches Style Show

The Mothers' Club of Jesuit High School steamed into the Convention Center October 22, 1974, with a riverboat theme. The "S.S. Jesuit" then turned in an outstanding job of promoting and producing the annual event. The Jesuit senior class helped the mothers with this project. For two days these people worked hard to make the year's style review the biggest ever. Money from the style show bought new fans this year to cool the gym during dances. Mothers' Club members also chaperone all socials and serve the refreshments at the Homecoming Dance and Junior-Senior Prom. Though the Mothers' Club has received little recognition in past years, they deserve all of the thanks we can offer them.

March Of Dimes

This year, as in past years, the March of Dimes has had an incredibly successful street collection drive. Not only have the people of Shreveport done their part, but the students themselves have seen the need and risen to this worthwhile cause. This motivation coupled with Jesuit school spirit has made Jesuit one of the best fund collectors.

Cheerleaders Boost Spirit At Jesuit

This year's Cheerleaders have carried the applied definition of the word "spirit" to the fullest extent. This intangible wave of excitement began during the football season, and, unlike other years, continued throughout the sports year.

Through the use of locker-room posters, high-strung pep rallies and humorous skits the Cheerleaders caused a spirit "fever" that was caught by everyone. The Cheerleaders served as the vital link between S.V.A. — J.H.S. student body unity. This success came as the result of dedication and hard work throughout the year. The Cheerleaders are to be commended on their outstanding success during this year.

Spirit Flies High With The Marching Squad

This year the marching squad and the pep squad once again personified spirit. At every football game these dedicated girls were in the stands cheering on our football team to an undisputed district championship. Few realize the work which went into producing the fine shows which the St. Vincent's girls presented at the halftime breaks. They practiced as many as three afternoons a week from three to five. The freshman pep squad put in long hours painting the spirit banners for the stadium. The students of Jesuit and St. Vincent's can appreciate the dedication and spirit that the girls showed them this year.

ORGANIZATIONS

Dedication, Hard Work Mark The FLIGHT Staff

Dedication and hard work is what makes a good staff, and believe me we've got it this year. It began this summer when four members of the FLIGHT staff attended a workshop at U.S.L. in Lafayette. While at this workshop we learned many new techniques that we hoped have made this yearbook the best one ever.

To the photographers, I thank them for putting up with me and for working whenever the need arose. I also think that they did a tremendous job in developing and printing the best pictures that I've seen in a Jesuit yearbook. Their pictures will make this yearbook a treasure to admire for a long time.

To the rest of the staff all I can say is thanks for helping me during the long afternoons, holidays, and nights that they worked in order to make the 1975 FLIGHT the success that it is.

S.G.A. Unites Students

Throughout the 1974-75 school year the Student Government Association sought to unify Jesuit High School. The S.G.A. installed a program in which more students became involved, thus giving students the feeling that the S.G.A. was their own organization.

The S.G.A. also worked to make Jesuit known as a school that is willing to work for the good of Shreveport. The association worked hard so that Jesuit and its sister school, Saint Vincent's Academy, might be drawn closer together than in previous years.

The main idea that the S.G.A. presented this year was that the success of any organization in the school depends upon the student body and their cooperation.

Service To The School Is Key Club's Goal

The Key Club is Jesuit's labor organization, the school's "chain gang." Existing under a charter sponsored by Key Club International, we perform our duties with the assistance of the Shreveport Kiwanis Club.

Aside from the menial tasks of setting and cleaning up for various school banquets and assemblies and selling concessions at home basketball games, the 1974 Homecoming and football program projects were extremely successful. The success of these enterprises was due to the unification of the members and officers' organizational skills. This unification is the primary goal of Key Club.

I wish to express my sincere thanks to the officers, members, and faculty advisor, Mr. Lerchie, for their tremendous support and understanding throughout the year.

Excellent Journalism Is Put Out By The Flyer

A good school newspaper is one by the students and for the students. It should inform and entertain, ask questions and give answers. But above all, a student newspaper should provide thought on the part of the individual. We at the Flyer have tried to meet these demands. We have not always succeeded. But all involved have benefited from the opportunity to do so.

Christian Services Improves Sodality

Just as in past years, this year's Sodality members contributed their time and efforts for the betterment of the school as well as the community. Christian Service, Sodality's new name, has taken part in the March of Dimes, the Food Drive, the Poor Man's Supper and assorted projects with Sister Margaret.

Under the sponsorship of Father Folzenlogen the Sodality has given not only in members, but in participation. This year's improvements are paving the way for another successful school year.

Drama Broadens Activities And Displays Its Skill

The Drama Club continued its success this year on stage, but found time to broaden its activities. Stage craft was displayed in *TELL ME THAT YOU LOVE ME, JUNIE MOON*, a play as challenging for the production crews as it was for the actors. The club rose to meet the challenge in perhaps the most successful play in its four year history. The Players also sponsored film nights, featuring old favorites like the Marx Brothers, sent members to various speech tournaments and ushered at community plays.

F.C.A. Enjoys Success

The Fellowship of Christian Athletes, an organization that helps to bring athletes closer to Jesus Christ, was first organized at Jesuit in the spring of 1974. The F.C.A.'s membership is nationwide on three basic levels — high school, college, and the professional level. Don McLanen first had the idea of a fellowship such as the F.C.A. back in 1947. From this beginning it has grown steadily to include over 1,600 huddles and fellowships.

This year our huddle group is one characterized by sincerity and dedication. Coach Carlisle serves as the moderator.

In the spring we participated in the F.C.A.'s Weekend of Champions, a week-long schedule of events including banquets, superstar competition, one-on-one basketball, and witnessing for Christ. These activities are climaxed at the end of the year when local athletes attend one of the F.C.A.'s summer conferences.

La. History Club — Bowling Team

The Louisiana History Club initiated its first year of activity as an extra-curricular club under the sponsorship of Brother Walz. The club's main purpose is to learn about our great state. Students give talks at the meetings on many Louisiana subjects. The club continues to grow and looks to be included in Jesuit's future.

This was the bowling team's sixth year and its largest group with thirteen members. There were four Jesuit teams which compete against twelve other high school teams in a high school league which bowled from September to May.

Briggs' Brigade

Starting out early this year with the help of many, Jesuit's Debate Team, commonly known as the Briggs Brigade, got off to a great year. They managed to accumulate an excellent record in all individual events as well as in debate. Jesuit had the best team that they have had in many years. Going to many tournaments, the Brigade swooped into them and right back out still upholding the Jesuit tradition of being one and only champions. They will again for the fourth straight year represent Jesuit in the annual Tournament of Champions. Beware, Louisiana for the charge of the Briggs Brigade.

New Science Clubs Are Formed This Year

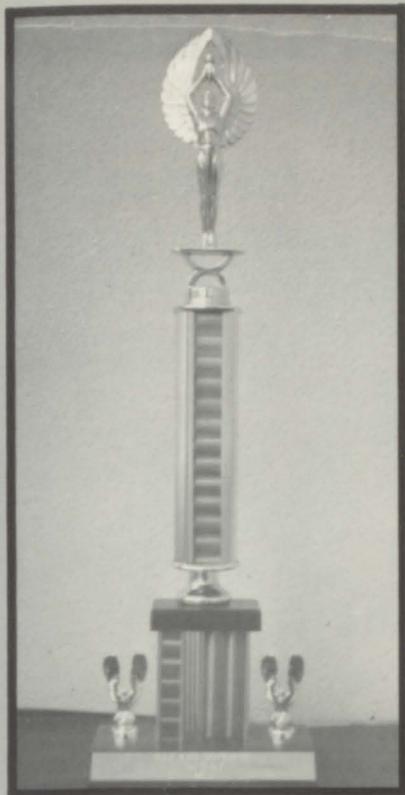

This year saw the advent of a new club at Jesuit, largely due to the effort of Mr. James Barr, the energetic new Chemistry teacher at Jesuit. This club is the Science Club, and it incorporates four smaller clubs: the Medical Explorer Club, the Field Biology Club, the Chemistry Club, and the Physics and Electronics Club. The basic purpose of the Science Club as a whole is to extend the student's education in a particular scientific field beyond what is offered at Jesuit. This extension includes information, experimental equipment use, and field trips which we made this year to the Penzoil Laboratory, Sulfuric Acid Plant, Louisiana Tech, and Arsenal Hill. In all, 1974-75 was a tremendous success for the birth of the Jesuit Science Club.

Recognition Is Well Deserved By Honor Football Players

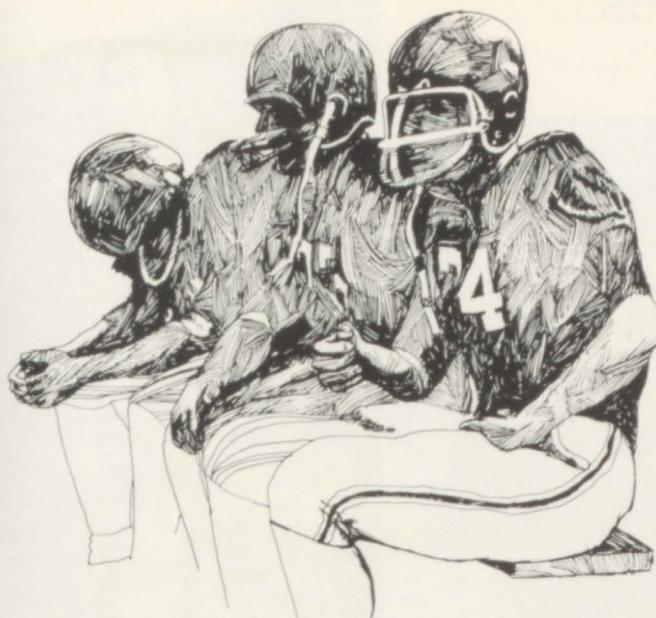

This year Jesuit's football team had its most successful season in four years. Five members of this outstanding team were recognized for their athletic ability. Post-season honors went to John Gehl, Danny Slack, Chet Chandler, Clement Fox, Petey Camp and Head Coach, Tony Sardisco.

All five players made all-district with Coach Sardisco receiving Coach of the Year honors in 1-AAA. All-City honors went to John Gehl, Danny Slack, and Chet Chandler.

In the final, most important note of the year, the Louisiana Sports Writers Association picked Danny Slack and John Gehl to the All-State team.

This honor, which represents the finest football players in the state, was enhanced by the fact that Danny Slack was honored as the outstanding defensive player in 1-AAA.

Homecoming Activities Highlight Fall Season

On October 3 the Jesuit Blue Flyers defeated the Northwood Falcons 35-11 in our Homecoming game. This was the Mighty Blue's second consecutive district win and set the stage for the long awaited Homecoming Dance.

The dance was held at the Progressive Men's Club on Cross Lake. The Homecoming Court was presented by members of the football team. This event acted as a culmination of a great deal of hard work of many individuals, and the Key Club.

N.H.S.: Mind Over Matter

The first important development of the National Honor Society was the organization of Career Day, a joint activity with St. Vincent's. Work began in September to find out the students' career choices. When this was done, speakers were found and classes scheduled. On February 15, morning career day classes were attended by the juniors and seniors. Freshmen and sophomores heard Career Day speakers that afternoon.

In October new members from the sophomore class were admitted to the National Honor Society. These members helped to raise money through the football pool.

In spring the N.H.S. conducted a banquet for the extracurricular clubs. A dinner was served and clubs honored their outstanding members with awards. As a further activity this spring, some N.H.S. members were elected to Who's Who Among American High School Students and a pamphlet of Who's Who at Jesuit was published.

Jesuit's Best Are Acknowledged Nationally

The National Merit Semi-finalists are members of a select group chosen from the top scorers on the PSAT, a scholastic aptitude test given nationwide. Jesuit boasted four semi-finalists: Robert Fredieu, Bob Haynie, Tim Williams and John Munger.

Shortly before school began, seniors Kevin Roeten and Larry Meier attended Boys' State on the Baton Rouge campus. Kevin was elected to the Parish School Board and Larry was elected Commissioner of Finance.

The Quill and Scroll keys recognize outstanding student-journalists. Last May three juniors were honored: David Hewitt of the Flyer and Keith Crane and Steve Skrivanos of the yearbook staff. David and Keith are now editors of the Flyer and Flight respectively. Steve is Associate Editor of the Flight.

Who's Who is a national honorary society which is composed of the top students in America. Jesuit members were chosen for their hard work and leadership in various areas of Jesuit life.

Fans Support Flyers To Quarter-Finals

The Jesuit Blue Flyers of 1975 were district champs in the Triple-A baseball this year. The state championship eluded the Flyers this year; but they certainly exhibited a great deal of talent and ability. This year's team was a young one, having lost eight seniors. But, as always, Coach Cicero labored successfully to create a team of winners, in the truest sense of that word.

The Flyers entered district competition against Haughton and came out the victors with a 4-3 win. Previous to this game, Jesuit had an unsuccessful run-in with Byrd. However, the Flyers beat Woodlawn in the two games played with that team.

After the Haughton win came a long string of Jesuit conquests, with Cicero's Flyers vanquishing North Caddo, the formidable Northwood, Minden, and Springhill.

Two heart-rending losses befell Jesuit at the hands of Northwood and Minden. But the hardy Flyers foiled Springhill's attempt at a win in the most suspense-packed game of the season, with a win of 1-0. Northwood reared her head again, but it was promptly crushed by Jesuit, taking a win of 3-0.

This win gave Jesuit the district championship and put the Flyers in line for the play-offs. It appeared that Jesuit might very well be state champs for the second year in a row. Wet weather repeatedly forced the postponing of the play-off games, much to the anxiety of Coach Cicero and his intrepid Flyers. But finally the play-offs became a reality. Jesuit came on strong in a 5-4 win against Winsboro. Hopes were running high that our boys would soon come out champs in Baton Rouge. But then, the unexpected happened; Jesuit was thwarted by Pineville in the quarter-finals, 4-6. The loss was a cruel disappointment, but the Flyers took it in stride, confident of their best season ever next year.

Statistics revealed that Jesuit had many fine players for the 1974-75 season. Junior Clement Fox batted .341. Senior Bert Ferris batted .318, with nine RBI's. Chet Chandler had an average of .316, with ten RBI's. Leslie Jones batted .312 and had eight RBI's. As a pitcher, Jones struck out 85 men and walked 37. He had an ERA of 2.35.

Junior pitcher Eric Thibodeaux showed a lot of promise with an ERA of 1.86. Senior Chet Chandler hit two home runs this season. On first base, Junior Frank Cicero put 108 men out.

Next year will undoubtedly be a challenging one for the Flyers. It should prove especially interesting as Minden goes 4-A, while Ruston takes over their 3-A slot. But whatever next year will bring for the Flyers, you can rest assured they will put out everything they've got.

Determination

Top Left: Paul Cordaro lays into one.

Top Right: "SAFE!!!"

Above: With fans looking on, Clement Fox takes his first swing at the ball.

Bottom Left: Flyers watch intently while one of their men bats.

Bottom Right: Frank Cicero catches one to put a man out on first.

Below: Striding to second with ease is Chet Chandler.

Bottom Left: Junior Mike Lindley displays tremendous concentration as he bats.

Bottom Right: Going down for a low one is catcher Walter Lamb.

Blue Wins Annual Bout

An annual event, climaxing the spring training for the football team, is the Blue-White game.

After the first ten days of the twenty-day training session are over, the team is divided into two independent groups — the Blue team and the White team. These groups practice intensively, the spirit of competition running high.

Finally, the teams are pitted against one another in an actual contest. In this game, the players are more or less "broken in," and are able to put all the theoretical knowledge they have learned into actual use and practice.

This year's game was as exciting as always. The Blue team emerged as the winners, with a score of 12-0.

Top: Coach Catanese intently watches as his team executes a fine play.

Middle Left: "Touch Down!!!"

Middle Right: Number 64 and number 43 work together on an excellent tackle getting down the receiver.

Bottom: Clement Fox prepares to block out the opposition.

Kings Of The Court

For the past four years, the Jesuit netters have posted a perfect record. This year was no different as the team finished the season undefeated. This included two victories over Quad-A state champion Captain Shreve.

Regionals proved to be just a warm-up for Greg Fess and Ben Templeton. Greg took the singles title with the loss of one game. Later he teamed with Templeton to win the doubles too.

The state tournament was almost as successful for the Flyers. Fess easily advanced to the singles' finals where he met Bolton's Lyle Parker. Parker squeezed out a 7-6 7-6 victory. Greg and Ben moved into the doubles' finals where they lost to Parker and Jody Cheneval 6-2 6-3.

Jesuit captured the runner-up trophy behind Bolton of Alexandria. Next year's future looks great and with support we will be the Triple-A state champions.

Congratulations to the Flyer netters.

Golfers Rally State Victory

This year's golf team has been the most successful in Jesuit's history. The Flyer linksters captured the State AAA title.

Jesuit finished the year with a 7-6-1 record, losing mostly to Quad-A teams. Regionals proved that a mediocre record did not matter as Jesuit finished second behind Northwood. Jay Smith, medalist with a 72, led the way for the Flyers.

The next week Jesuit traveled to New Orleans for the state tournament. Playing consistently was the key to success as the Flyers shot a two-day total of 623. This score was eleven strokes better than runner-up Catholic High of Baton Rouge. Sophomore Barry Simmons led the Blue with a 154, capturing fourth place in the medalist honors.

With only two seniors graduating (Danny Slack and Johnny Mijalis), Coach Fred Engelke is pleased with the future.

Congratulations to the 1975 AAA State Golf Champions.

S.G.A. Spring Events

Events sponsored by the S.G.A. were varied. They included Talent Night, S.G.A. Week, and S.G.A. elections.

The Talent Night money was used to help pay for the Prom. It was held April 11. The night proved we have many talented people at Jesuit.

S.G.A. Week also fell in April. School spirit is promoted by its special events. Larry Ryan and Bob Holladay spoke on Wednesday. On Thursday, the Seniors performed two humorous skits. Friday was climaxed by Field Day. S.G.A. Week is something to look forward to, a needed diversion to our routine.

S.G.A. election results came in on May 10. Officers for next year are: President, Brad Campbell; Vice-President, Jorge Pineda; Treasurer, Mike Watts; Secretary; Jim Howell; and Parliamentarian, Mike Tanner.

Will Rides Again

This spring, as is traditional at Jesuit, the Drama Club staged a Shakespearean play. This year, *TWELFTH NIGHT REVELS* was chosen.

The plot centers around four people: Viola (Adrienne Gautier) and her identical twin brother (Tim Appleby), Olivia (Roberta Burns), and Duke Orsino (Art Dunnam) who thinks he is in love with Olivia.

Viola disguises herself as a man (Cesario) and enters the service of Orsino, who promptly falls in love with her. He sends her to plead his love for Olivia and Olivia falls in love with Viola. When Sebastian arrives on the scene, Olivia thinks he is Cesario and marries him.

So much for "seriousness." The rest of the cast played strictly for laughs. The two biggest hams, Sir Toby Belch (David Hewitt) and Sir Andrew (Tim Williams) reeled drunkenly through their scenes. They were accompanied by Feste (Bobby Traas) and Maria (Dawn Devenny), who was Olivia's handmaid, as well as Toby's mistress. When disturbed by Malvolio (Bryan Reeder) Olivia's stuffed-shirt steward, they plot to make him think that Olivia is in love with him and make her believe that he is insane.

Confusion and merriment run rampant, until the last scene, when all of the little Shakespearean plots and sub-plots are sewn together. Happy ending — somehow.

Under the talented direction of Diana Ely and producer Fred Engelke and aided by the many crews, the play enjoyed a successful three-night run on April 8, 9, 10.

Outstanding Spring Athletes Recognized

Tuesday, May 13, was the night of the annual Spring Sports Banquet. This banquet is designed to honor outstanding athletes for their service to the school and their dedication to the Jesuit ideal of building the whole man, in body as well as in mind.

Special awards were presented to outstanding players in baseball, basketball, soccer, and tennis.

In basketball, Bert Ferris was the recipient of the Coaches' Award. Leslie Jones was named Most Valuable Player. The Scholastic Award went to both Craig McMullen and Kyle Farris.

In baseball, the Coaches' Award went to Chet Chandler. Tom Bullock received the Scholastic Award. Leslie Jones was again named Most Valuable Player.

A special moment in the ceremony came when Coach Sardisco presented Mrs. Templeton, who is retiring after nine years as tennis coach, with a plaque.

It is always a rewarding experience for our outstanding athletes to receive recognition for their long, difficult hours of work. Congratulations to all of them.

N.H.S. Hosts Banquet

The Jesuit cafeteria was the site of this year's N.H.S. Awards Banquet. At this event, recognition is given to outstanding members of Jesuit's clubs. For too long recognition was given only to the school's athletes. The N.H.S. recognized the need for a banquet to honor those people not in athletics. So last year the first Honors Banquet was held. This is a very needed event and will surely become a Jesuit tradition.

After the meal, the awards were presented. Barry Erwin moderated the event. Awards were made to members of the Drama Club, N.H.S., Sodality, Debate Club, and Louisiana History Club. N.H.S. president Larry Meier presented Fr. Bannin, N.H.S. moderator, with a gift on the occasion of his retirement from teaching. The banquet attested to the fact that Jesuit is filled with many hard-working, concerned people who are a credit to their school and community.

Special thanks should be given to Mrs. Martha Calantone, school dietician, who is always willing and able to prepare all the food for these banquets. They could not be staged without her help.

J.H.S. S.V.A. Join For Prom

This year Jesuit and St. Vincent's held their first joint Junior-Senior Prom. The Junior class of Jesuit and St. Vincent's raised all the money through their talent nights and through a collection made throughout the Jesuit Junior class.

The Prom Court this year was composed of ten Seniors — five from St. Vincent's and five from Jesuit — elected by the Junior classes of the respective schools.

The court was presented at nine p.m. It included Susan Doran, Prom Queen; other members were Mary Katherine Ballard, Katherine Carmody, Elizabeth Watts, and Ashley Hundley. Their escorts for the event were Chet Chandler, Prom King; also Robert Fredieu, Hank Brenner, Woody Wilson, and Steve Seal.

Poo Nanny, the band engaged for this year, is a truly professional group based in Birmingham, Alabama. The music it provided was of truly superlative quality. Its choreography and costuming were equally professional.

The care and planning that went into this year's Prom made possible an unusually memorable event.

The Class Of 1975: Pinnacle Reached

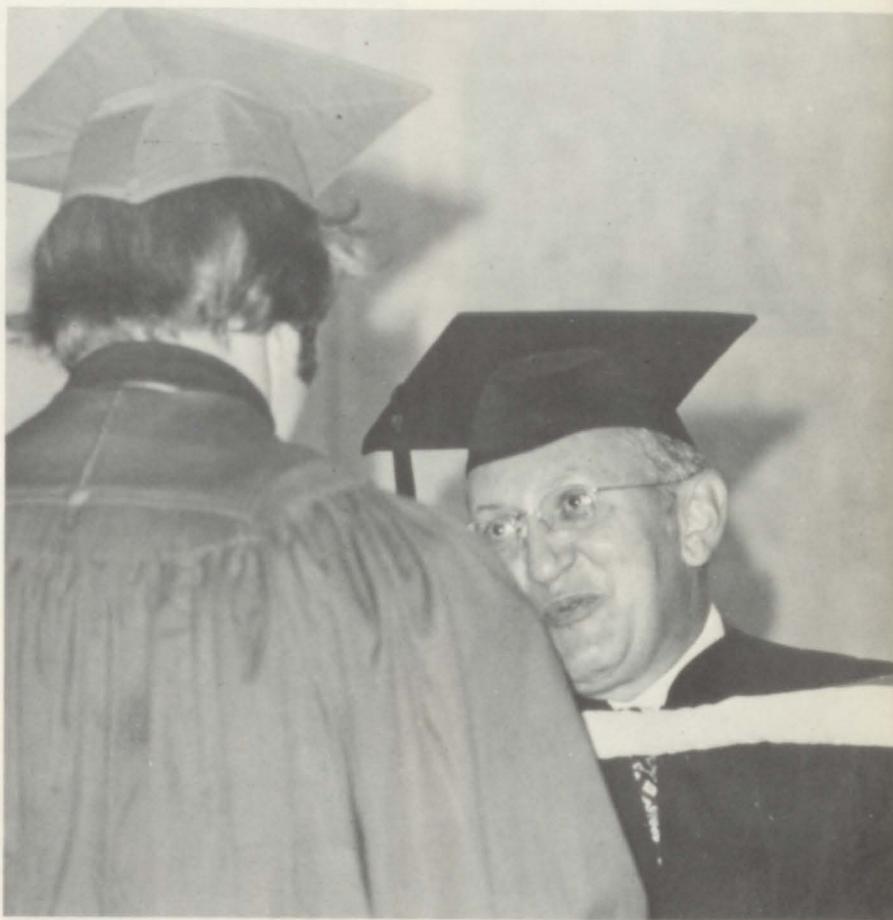

The 1975 graduating class numbered seventy-three Seniors. On the afternoon of May 18, the Baccalaureate Mass was held at St. John Berchman's Church. The main celebrant of the concelebrated Eucharist was Father John R. Welsh S. J. Homilist was Father Patrick Madden. Mr. Anthony Sardisco served as Master of Ceremonies.

Graduation exercises were held at the Shreveport Civic Center on May 22. The event began at eight o'clock. Mr. Robert Ernst delivered the opening address. Henry Brenner, Jr. gave the Salutatorian address. Awards were presented following this address. Valedictorian was John Duncan Munger, Jr. The climax of the evening came at the awarding of the diplomas. These were presented by Mr. J. Robert Welsh, President of the Board of Trustees.

At last, four years of participation in the work and fellowship of Jesuit High School ended for the departing Seniors. But hopefully, the influence of these years will not have an end in their lives.

Thanks And Farewell

Many thanks are due to two dedicated and conscientious members of the Jesuit staff: Father Eugene Bannin and Mrs. J. C. Templeton. Both are leaving Jesuit after nine years of service.

Mrs. Templeton has been tennis coach and she can boast of leading her team through several winning seasons. She has always been ready and willing to put in the many hours that are required in developing outstanding tennis teams. We wish Mrs. Templeton the best of luck in the future years.

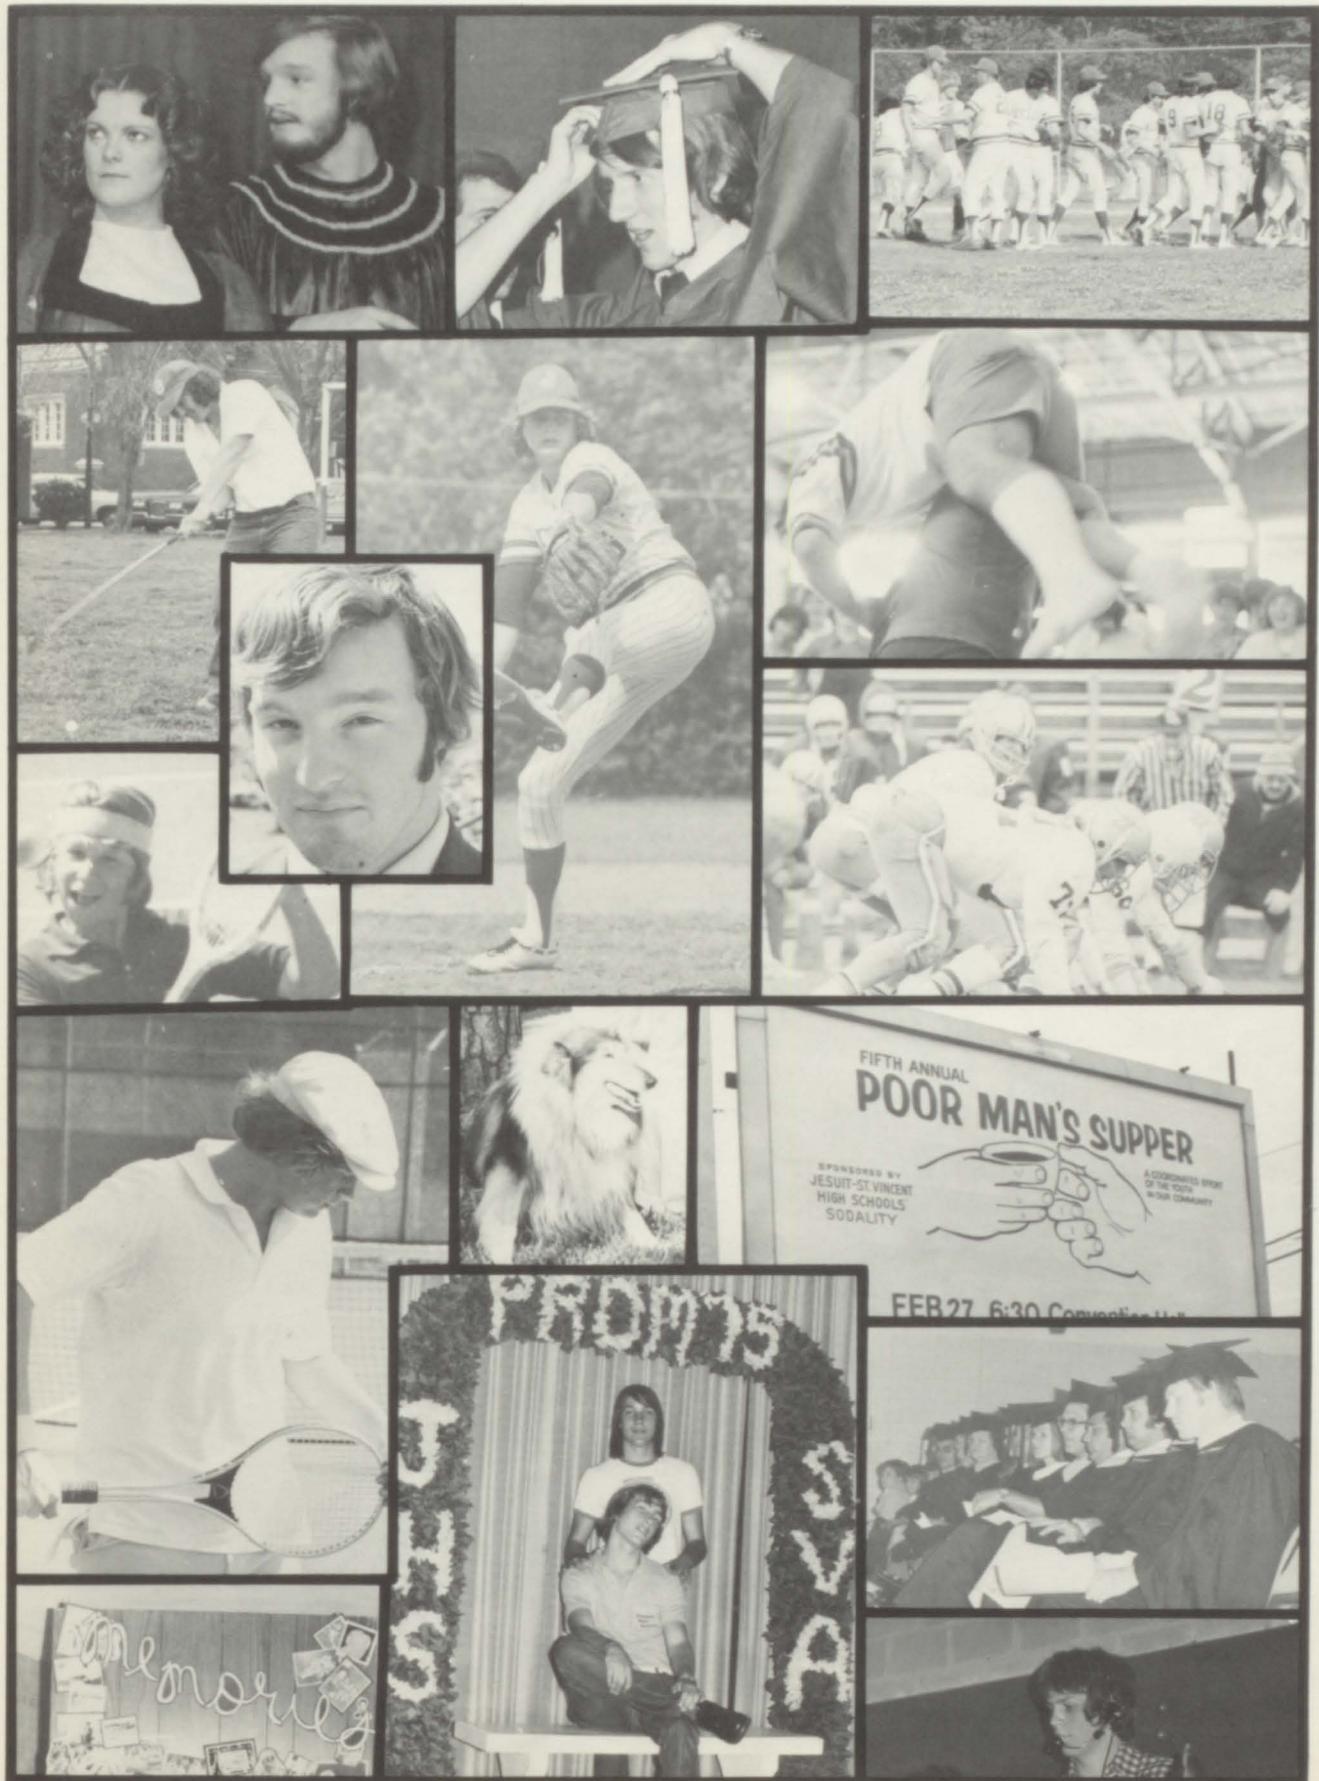

Father Bannin has served as student counselor since 1966. In addition to this he has also served as moderator of the tennis club and the N.H.S. Thanks are certainly due to this man who has given so much of his time and energy to Jesuit students. We wish him much success in his new field of endeavor — his parochial ministry.
